PROMOTING & SUPPORTING LINE DANCING ACROSS VICTORIA P R E S I D E N T ' S R E P O R T

President for 12 months! It went by so quickly! I have enjoyed the role, whilst working alongside a fantastic group of people and as another financial year begins I would like to thank all members of the Committee for their support, hard work, commitment to their role and assistance at the meetings, workshop and events. Also, by the time you read this some changes will have occurred regarding the VLDA Committee, but as my report is submitted prior to the Annual General Meeting I will have to follow this up in next month's report.

The fun and fantastic Gala Ball is over and planning will begin regarding events in the next financial year. Decisions will be made regarding the venue, date, theme, decorating etc and we value your input, so if you have any ideas, comments or suggestions please let us know.

Our last Newsletter was full of wonderful photos of the Ball and we will be adding some to the VLDA website along with some video of the night. We will keep you posted on when this will occur. Also, a reminder that we have a facebook page that is a fantastic tool for sharing information such as a copy of a dance sheet, a video of a dance you would like to learn, or dates and times of a particular event or workshop. Please email any member of the committee if you wish to be added to the group.

On September 1st the VLDA will be sponsoring a choreography competition co-ordinated and hosted by Rhonda Mathieson of Aimee Country Line Dancing. This event will be held in Leopold, Geelong and we hope that all choreographers, Victorian and Interstate, will enter their brand new dances to showcase their work. We also hope that many Instructors and dancers will attend to show the choreographers their support on the day. Please visit www.aimeecountrylinedancing.com and click on the workshops and competitions tab to find the email address to request the choreography pack and details of this event. It will be a fun day followed by a social in the evening.

Finally, I would like to thank Linda Pink on a job well done regarding the Newsletter over the past year. I sincerely appreciate the dedication, effort and generosity regarding the time consuming task of gathering information, producing and submitting each month, a very comprehensible and professional Newsletter. Thank you Linda.
