

## NEWSLETTER - NOVEMBER 2013

### President's Report - November 2013

Is it Spring or is it Winter? What a strange month of weather we are having. I am anxiously waiting for the warmer weather. Time is flying by so quickly that Christmas will be upon us very soon. I am sure plans are under way for all the upcoming Christmas events.

If you are a club that would like to participate in demonstrations and attend parties to show the general public the form of dancing we do then please email any member of the committee to inform us of your willingness to attend various events around Melbourne. Corporate functions, council events, festivals and private parties are also a great means of advertising your classes.

We also currently have a request for an instructor to attend an engagement party to teach everyone at the party a few line dance moves and get everyone involved, to kick up their heels and have lot's of fun. Again, please let us know if you are interested.

If you are in the area of Drouin, Rosanna and Doncaster please also advise the committee as we have someone interested in attending a class, social or Christmas dance party on the 14<sup>th</sup> of December. As they are from out of town they will need assistance or guidance in finding these events.

As you may be aware the next VLDA Meeting will be held on the 16<sup>th</sup> November at the Senior Citizens Hall, 6 Laurence Grove Ringwood East. The main item on the agenda will be the adoption of the new model rules governing all Incorporated Associations such as the VLDA. We look forward to your attendance and participation and therefore ask that you read the forms attached to last month's Newsletter regarding the special resolutions.

Plans are under way for the weekend in Portarlington over the Labour Day weekend in 2014 and we are again looking at organizing catering for the Portarlington event. This has not been an easy task since losing our previous caterers a couple of years ago but we will do our best to organize something.

Enjoy your social dancing.

*Nadia Friel*

VLDA President
