

President's Report - January / February 2014

Happy New Year! Hope you all had a nice break. Classes are now resuming and instructors will be revising their most recently taught dances in 2013. Amazing how each year brings forward many new dances and hopefully many new beginner dancers. The best way to promote line dancing is via word of mouth and by directing them to a beginner class nearby. To all Instructors, if you have a new beginner class, please send the details through to us, to add to the website and also utilise the VLDA Facebook page to promote your classes and socials.

If you know of anyone who would like to become a member of the VLDA please contact our Membership Co-ordinator, Robert Charity via details on the VLDA website. For a small annual fee they will have access to the monthly Newsletter, workshops, music, dance sheets and discounted entry to events.

The first meeting in February will be held primarily to finalise the plans for the Portarlington event with Gordon Elliott held on the 7th to the 9th March and the Good Friday Marathon on the 18th of April. If you have anything to donate, whether it be money or goods for our raffles and auctions, please contact one of our committee members or bring it along on the day.

With full details yet to be confirmed, I am happy to announce that members of the Victorian Line Dance Association and local and interstate guests will be attending a Dance Show hosted by Glenn Brittain. The venue for filming is the Whitehorse Club, 298 - 336 Burwood Highway, Burwood East and date will most likely be Friday, 11th April. Food will be served at the price of \$20 per head. Bookings will be taken approximately the 2nd week of February.

The evening will consist of a Dance Quiz and Dance Performers and the show will go to air on Channel 31. If you would like to see footage of a previous show, visit the VLDA Facebook page. This event will be a lot of fun and a great opportunity to promote line dancing.

Last but not least I would like to congratulate everyone that competed, judged and hosted workshops in Tamworth. Now that Tamworth is over, we look forward to all the new dances.

Till next month, have fun, support each other
and I will see you on the dance floor.
